Policy / Rules

VFW Post 1509 will only provide the space and water for the car wash being conducted.

The car wash space will be available from 0700 to 1300. All Operations will be discontinued by 1300.

The Car wash area is only the area in the rear of the building (drive through area).

Only spigots along drive through area will be authorized to be used.

Organization will be responsible for all supplies including any required canopies.

Organization is responsible for all damages, if any, as well as clean-up immediately following the end of the car wash.

No food or drinks will be sold during the car wash.

The Organization will be required to put a \$30.00 deposit down to secure a date.

Any cancellations/reschedules must be done within 10 days prior or the organizations deposit will be forfeited. This does not include valid emergencies, ie. Typhoons.
